

### Abstract

1. Deep Learning homeworks 5
2. DML lab assignment (Interpretability papers and etc.)
3. Watch some videos anout SPARK and learn its fundamental concepts.

### Description

1. **Deep Learning homeworks 5**  
I worked on DL course HW5.
2. **DML lab assignment (Interpretability papers and etc.)**  
I worked on gathering information about lab assignment.
3. **Watch some videos anout SPARK and learn its fundamental concepts.**  
I watched some videos about SPARK but not finished it.

### Next Week

- Finish Deep Learning homeworks 5
- Image Processing homeworks 4
- DML lab assignment (Interpretability papers and etc.)
- Finish videos anout SPARK.
