

Abstract

1. Reddit project
2. Display Advertising project

Description

1. **Reddit project**

We are currently working on solving the propagation problem in current algorithm. We created a presentation about project improvements and we will present it in the project's next weekly meeting.

2. **Display Advertising project**

I read some papers and surveys about RTB and CVR/CTR estimation. I am writing chapter two of my thesis.

Next Week

- Reddit project
- Display Advertising project
