Report No. 39  
98/05/12- 98/05/18

**Abstract**

1. Reddit project
2. Display Advertising project

**Description**

1. **Reddit project**  
We implemented Sina's algorithm and it ended up in a problem. All values converge to fixed numbers. We call this the propagation problem.
2. **Display Advertising project**  
I am currently writing first two chapters of my thesis.

**Next Week**

- Reddit project
- Display Advertising project
