Report No. 111
99/09/29- 99/10/05

Abstract

- 1. Display Advertising project

Description

- 1. **Display Advertising project**
Finished dropout experiments. Started the last experiment on regularization.

Next Week

- **Display Advertising project**
Implement baseline method on the dataset with same size and features. Cross-validate the hyper-parameter (k) and compare it with the proposed method.
