Abstract

1. Paper review
2. Reddit project
3. Display Advertising project
4. SP course TA work

Description

1. **Paper review**
   I read that paper and reviewed it.

2. **Reddit project**
   I'm working on implementing word2vec models more efficiently. We had reported our work to Hamid. Also we are trying to get some results on smaller graph before deploying new server.

3. **Display Advertising project**
   I'm working on my thesis chapter two.

4. **SP course TA work** I took care of complains about quizzes. I had to solve the midterm II questions but i hadn't enough time for that.

Next Week

- **Reddit project**

  We may have a meeting with Sina and Kevin to plan our route. I think we need to make sure whats the purpose of this research and start planning more precisely for it.

- **Display Advertising project**

  Write reamaining parts about Sparse FM in thesis. Read papers about Attentional FM, Deep Interest Network, Deep & Cross Networks, Attention Stacked AutoEncoder, DeepFM and at last Wide and Deep network; And write their parts in the thesis.

- **SP course TA work**

  Solve and write down midterm II solutions

  Correct Quiz 7
